

REMARKS

Claims 4, 6, 8-10, 12-20, 28, 29, 31, 32 and 34 were acted upon in the aforesaid Office Action.

Claims 8 and 9 have been canceled and no new claims have been added, leaving claims 4, 6, 10, 12-20, 28, 29, 31, 32 and 34 in the application.

Claims 4, 6, 10, 12, 15-20, 28, 31 and 34 have been allowed, leaving claims 13, 14, 29 and 32 for further consideration.

As noted above, claim 10 has been allowed. Claim 13 stands rejected. Claim 13 has been amended to include the features recited in claim 10. Thus, as amended, claim 13 is narrower than claim 10 and would appear, therefore, to be in allowable condition.

Claim 14 depends from claim 13 and would appear to be allowable, at least through dependency.

Similarly, claim 28 has been allowed and claim 29, which stands rejected, has been amended to include the features of claim 28, rendering claim 29 narrower than claim 28. Thus, claim 29 would appear to be in condition for allowance.

Claim 31 has been allowed and claim 32 has been rejected. As amended herein, claim 32 includes the limitations of claim 31, in addition to those already present in claim 32, which would appear to render claim 32 allowable.

- 11 -

In summary, it is believed that claims 13, 14, 29 and 32 are in condition for allowance, which is most respectfully requested.

Respectfully,

Scott R. Foster
